

Grafton Township Republic Waste Customers

Starting on January 9th, 2012 Republic Waste will pick up large bulk items at the curb, such as chairs, couches, tables, and appliances. Appliances containing FREON (refrigerators, freezers and window air conditioning) must have the FREON removed and a tag put on them that says it is removed.

The bulk items will be picked up on the **SECOND** full week of the month on your regularly scheduled pick up day.

Monday Pickup

8/17/12
9/14/12
10/19/12
11/16/12
12/14/12

You can take scrap tires to the large container behind the fire station – please put them in and stack them. We also have containers in the parking lot for paper and corrugated cardboard – please flatten your boxes before putting them in the container. If you have any questions, please contact the Recycling Coordinator – Jean Haight 440-926-2178
