

SENATOR SHERROD BROWN ANNOUNCES BROADBAND SEMINAR

You are invited to join Senator Brown, the United States Department of Agriculture, and Connect Ohio for a workshop on broadband funding opportunities through the American Recovery and Reinvestment Act of 2009

About the event:

Senator Brown, USDA Under Secretary of Rural Development Dallas Tonsager, and Connect Ohio will be available to discuss the new broadband funding opportunities through the Recovery Act.

The American Recovery and Reinvestment Act of 2009 appropriated \$7.2 billion to the USDA's Rural Utilities Service and The Department of Commerce's National Telecommunications Information Administration to expand broadband access to un-served and underserved communities across the United States.

Please come to learn about the competitive broadband opportunities funded through the Recovery Act. Representatives will be available to discuss funding details and the application process.
