2009 Speaker Series

and

Special Events

The Suffield Historical Society meets the 3rd Monday of each month in the town hall. Our Speaker Series features a wide variety of topics during the months of February, March, April and May.

In May, we hold our annual garage sale and open house during Memorial Day festivities.

In June and July, in addition to our regular 3rd Monday night meetings, some special events may be scheduled. These special events will include a field trip tour of the Goodyear Blimp Base Museum.

August finds us helping with the Suffield League and the Suffield Music Festival.

In December our members meet for a holiday gathering to remember old time Christmases. Everyone is invited.
