

From the Desk of
Scott McBroom
Road Department Foreman

This is the road department update for:
October 29, 2007

The township leaf drop is located at 558 Etter Road. DO NOT LEAVE ANY PLASTIC BAGS! The dump will be open until November 30th.

If you see a street light out, contact us at 330-628-7420, OR at Suffieldtownship@neo.rr.com. We will contact Ohio Edison to make the proper repairs!

We are pleased to announce that the May Road paving project is now complete. We are very happy with the results and hope that all of our residents are as well. Below are some photos of the work as it was in progress. If you are out for a drive this fall, take the time to check out the work first hand!
